Teaching and learning methods

This course will use contemporary and preferably authentic materials. Activities which will boost linguistic optimization in writing and oral production will be implemented. At the same time students will have to gather previous linguistic knowledge to solve functional problems according to a communicative and task-based approach.

Assessment methods

1. Continuous Assessment - (Regular, Student Worker) (Final)
 - Intermediate Written Test - 60% (Comprises: reading, writing, speaking, Language in Use, Listening tests. At the end of semester.)
 - Practical Work - 40% (done at home or in class)
2. Exam - (Regular, Student Worker) (Supplementary, Special)
 - Final Written Exam - 100% (The exam comprises the previously explained 5 parts.)

Language of instruction

Spanish
