## Teaching and learning methods

Classes comprise a theoretical and practical approach. At first fundamental texts will be studied and understood in context. Then students will have the opportunity to contact with real-life situations regarding business management and tax issues in the field of translation. Task-based methodologies as well as problem solving will be used throughout the sessions.

## Assessment methods

- Continuous Assessment (Regular, Student Worker) (Final)
   Intermediate Written Test 50% (Theoretical test at the end of the semester)
   Practical Work 30% (Practical tasks)
   Presentations 20% (Individual presentation)
   Final Exam (Regular, Student Worker) (Supplementary, Special)
   Final Written Exam 100% (Includes a theoretical and practical component)
