Name(s) of lecturer(s) Carla Sofia Lima Barreira Araujo

Learning outcomes and competences

At the end of the course unit the learner is expected to be able to:

1. Practice the knowledge on the language structures that are being explicitly learned in the CU Portuguese Language I;
2. Produce and distinguish the sounds of Portuguese, integrating them in the correct phonemes;
3. Use the correct intonation for each kind of sentence;
4. Understand oral isolated utterances and frequent expressions related to areas of immediate priority;
5. Use the treatment forms in accordance to the enunciation situation;
6. Correctly use the Portuguese deictics;
7. Communicate orally in simple tasks and routines that require only a direct exchange of information on topics that are familiar and usual;
8. Describe their training and environment and also refer to matters related to immediate needs.
