Teaching and learning methods

The UC consists of two components, one theoretical and the other practical. In the theoretical the use of audiovisual means to present the programmatic contents are indispensable tool. Detailed analysis of actual videos and images is done. In the practical component using a piano is solidified all the theory previously learned with the practice of vocal exercises.

Assessment methods

1. Continuous evaluation - (Regular, Student Worker) (Final)
 - Intermediate Written Test - 50% (Written test)
 - Intermediate Oral Test - 50% (Oral teste)
2. Exam evaluation (100%) - (Regular, Student Worker) (Final, Supplementary, Special)
 - Final Written Exam - 100% (Written and practical exam, (practical vocal exercises))

Language of instruction

1. Portuguese
2. Portuguese, with additional English support for foreign students.
