Course contents

Course contents (extended version)

Recommended reading

A indicar em função das temáticas dos seminários e palestras. / To be provided according to the themes of the seminars and lectures.

Teaching and learning methods

The subject will count on the collaboration of guests, aiming to stimulate the discussion on the themes of digital transformation that can contribute to the elaboration of integrated practical works. It will work in two forms: 1) seminars provided by guests; 2) lectures in which the guest(s) expose(s) a given theme, followed by a debate.
