Teaching and learning methods

The course unit will be taught through the theoretical contents exhibition (expositive method), followed by the resolution of practical exercises (demonstrative method). To promote greater students' involvement in the acquisition of knowledge and skills, will be distributed practical cases to resolution and analysis. In this process will be used digital platforms.

Assessment methods

1. Final Evaluation - (Regular, Student Worker) (Final, Supplementary)
 - Practical Work - 50% (Practical exercises from all course unit contents)
 - Final Written Exam - 50% (Final exam from all course unit contents; Final/Supplementary. Minimum score of 7 points)
2. Final Evaluation - (Regular, Student Worker) (Final, Supplementary, Special)
 - Final Written Exam - 100% (Final assessment from all course contents)
3. Exchange Students - (Regular, Student Worker) (Final, Supplementary, Special)
 - Final Written Exam - 100% (Mainly true and false questions, and multiple choice questions)

Language of instruction

Portuguese, with additional English support for foreign students.
